

STATEMENT

In consideration of current circumstances the country is going through due to the spread of Corona virus and the interruption of work; it was resolved to:

- Suspend the validity period for appeals against provisions and rulings through the interruption of work period starting from 18 March 2020 due to the spread of Corona virus, to be resumed at the day starting the work officially upon ending the curfew.
- The interruption of work period will be considered as a cease period for the argument for all suits until disappearance of cause.
